## MAT Celebrates 10th Anniversary

*...from the President*

The last ten years have been an exciting journey. God has given many exciting opportunities and many of you have been so faithful to pray, participate and give to make it happen. Thank you for being a Friend of MAT.

This year has been both wonderful and trying. Between hurricane Rita and being without electricity for a week, three computer crashes, and other trying times, there have been many victories. See a report about them in this newsletter.

We pray that you will have a wonderful Christmas and a happy and prosperous New Year.

In His Service,

*David*

Would your church be interested in a mission program? David & Ann Campbell would love to come share with your pastor or Mission Committee about what MAT can offer your church.

## Mobile Medical/Dental Unit Now in Mexico

MAT medical/dental unit travels to first clinic at the rehab center in Piedras Negras

Pat Counts from Bridgeport, Texas completes work on the dental equipment

Steve Webb from Mt. Enterprise, Texas places fiberglass over generator cover.

After many years of prayer and labor by so many from so many churches, the mobile medical/dental unit is now in Mexico and has been a part of three clinics. We thank God and all who have been faithful to work and give to make the ministry possible.

If you or any member of your church is in the medical or dental profession please let us know. MAT would love to include them in this important ministry

Please pray with us that God will provide the medical & dental specialists to not only use their skills for to those in need but also to share the love of God with them.
